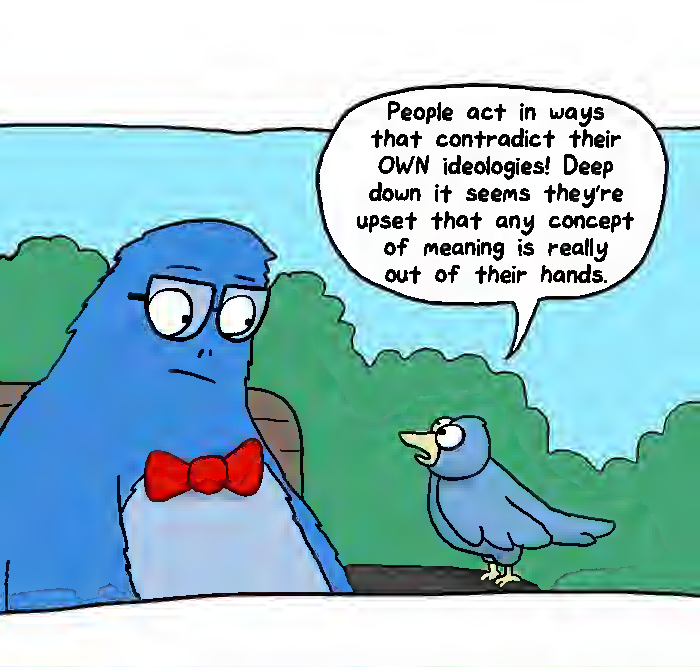
Lars, you keep searching for meaning in your life, but you live in a world that desperately avoids the real answers!



People act in ways that contradict their OWN ideologies! Deep down it seems they're upset that any concept of meaning is really out of their hands.

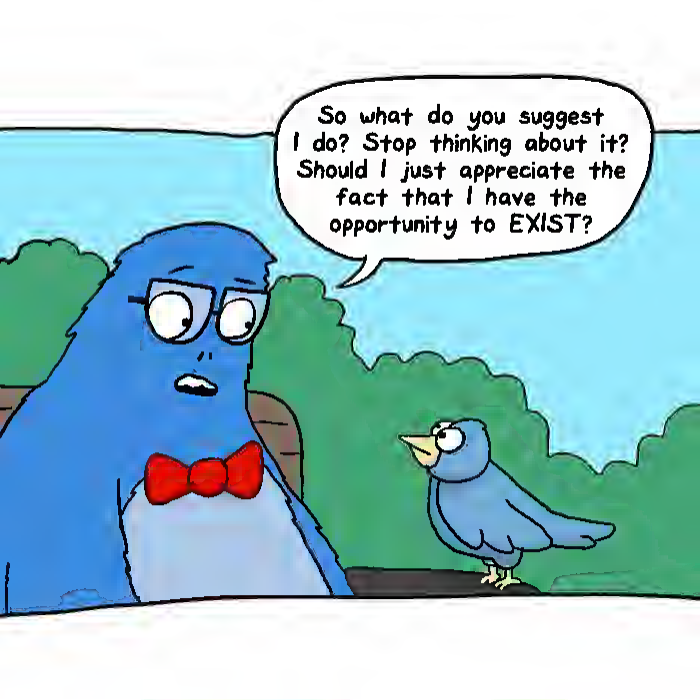
Existing is the only true identity we have. Appreciate that you have a place in this world, but don't get caught up in the details.

Lars



So what do you suggest I do? Stop thinking about it? Should I just appreciate the fact that I have the opportunity to EXIST?
